Dear Parents and Students,

I'd like to welcome all the dancers, to our 17th year of dance!

As artistic director of the Dance Center I am committed to quality teaching and a quality performance. My goal is to teach all facets of dance: technique, composition, and performance. To strengthen self-esteem and discipline. To present dance as an art form in a loving and nurturing environment. Technique is the way to execute the movement, composition is putting the dance vocabulary into sentences, and finally the performance, for the audience. The Dance Center is truly a Center where all disciplines of dance are taught by professionals who have worked hard at their craft, and want to share all of their knowledge and talent.

We are looking forward to having you tour our new state of the art studios in Winchendon. While there, browse through our Groove Wear store for all your dance and active wear needs!

I am looking forward to a great year.

Miss Nancy

Sincerely,

Nancy Bonanno

Artistic Director
